JOHN! JOHN! H-HELP!
Ten days later... at a West Coast Zoo... I never saw a more vicious-looking beast! Look at him! He'd like to get at us! A beast like that could kill a man with a single blow!

Timber Wolf habitat--North-Western Canada. Captured by John Wilder.

On the sleeping city... a ghastly terror falls! A terror of rending claws and toting out of the darkness--of running feet--of screams that start and end abruptly--as though choked off! And over all, the shadow of something monstrous--and as merciless as the Arctic night!

But a werewolf cannot cross running water!

There it goes, Monahan! It's that escaped wolf! I'll blast the vicious-ness out of it!
I'm going upstairs to bed. I'm sorry the wolf escaped but my responsibility ended when I sold it to the zoo. If you want to sit here listening to that radio blare—go ahead! You know as well as I do that the wolf had nothing to do with those slayings!

I tell you... I'm frightened! It wasn't a shadow I saw on the ship! Why won't you believe me? The werewolf legend is as old as mankind! There must be some truth in it!

Error-fraught moments later...

The wolf has been wounded! The details are just coming in! Apparently it got away, but...

5:50 p.m.

When it was wounded before, John dressed the wound. What if it should come here? If it's really a werewolf... it will know the way!

Scratch! Scratch!

There's something at the window! Something out there! Something that's... Oh!

John! John! Help me!

Can't hold off much longer! U-John...
BARBARA! KEEP BACKING UP! STAY AWAY FROM IT! I'VE GOT TO GET TO THAT TABLE!

I'VE GOT IT! A SILVER PAPER KNIFE! BACK, BARBARA... HERE HE COMES!

GRRRR!

I'M DONE FOR... IF HE GETS MY THROAT! GOT TO... GET HIM FIRST! UGH!

GR-RSH!

GR-ReRRGGG!

UN DEATH... JACQUES SHEDS THE MARK OF THE BEAST... AND FINDS RELEASE FROM HIS TORMENT!

A SILVER KNIFE! ANYTHING SILVER IS FATAL TO THE UNDEAD! YOU KNEW? BUT YOU DIDN'T BELIEVE IN THE UNDEAD! WHY WHAT OPENED YOUR EYES?

SHEER DESPERATION, I GUESS! I... I DIDN'T WANT TO LOSE YOU, DARLING!

OH STOP IT, GAIL... YOU'RE TALKING NONSENSE AGAIN!

OH GOSH... IT COULDN'T BE... IT SOUNDS CRAZY... BUT MAYBE THAT SMELL ISN'T GUNPOWDER! MAYBE... MAYBE IT'S BRIMSTONE!

YOU'LL NEED THIS COAT... I TRAVEL TO MANY PLACES THAT ARE COLD! HA-HA!

WHAT... WHAT ARE YOU GOING TO DO?

WATCH! YOU'LL FIND MUCH TO ADMIRE IN ME... I AM NOT LIKE ORDINARY MORTALS!

AH, WE MUST TRAVEL THUS, MY DEAR! IT WOULDN'T DO TO LET PEOPLE SEE MY FACE... AND LIVE TO TELL OF IT!

HELP! HELP!
AND WHEN TONY ARRIVES...

MERCIFUL HEAVENS!
WHAT'S HAPPENED HERE?

THE LIVING GHOST!
AND GAIL GONE!
IF THIS IS HER IDEA OF A JOKE...

THE LIVING GHOST

HOLY SMOKE! A FACE SO TERRIBLE THAT IT'S ETCHED ITSELF INTO THE MIRROR!
A FACE THAT'S OUT OF THE GRAVE!

THEN... A FRIGHTFUL DISCOVERY!

THEN... THEN SUPERNATURAL FORCES DO EXIST! SOMETHING BEYOND LIFE ITSELF IS AT WORK
...AND IT'S GOT GAIL! WHAT... WHAT AM I GOING TO DO?

YES TONY... WHAT ARE YOU GOING TO DO? YOU, A MERE MORTAL... AGAINST A SPECTRAL FORCE OF DEADLY EVIL! WELL... FIRST STEP... AT THE INSTITUTE FOR PSYCHIC RESEARCH...

THIS FACE, DR. VANDYKE... HAVE YOU EVER SEEN IT? DO THE WORDS "LIVING GHOST" MEAN ANYTHING TO YOU?

GOOD HEAVENS... YES!

Brace yourself, Tony... there's nothing that can be done! He's only part man... the rest is ghost! And no human can combat the supernatural! But take this ancient church relic... a petrified olive branch! According to legend, it has the power to render a ghost mortal! Use it if you should ever catch up with him!

Thanks, Doc...

Meanwhile... what of Gail?

Please... why have you brought me here? Because, never through the centuries, have I seen beauty like yours... never one more fit to share my great powers! You shall join us... the Legion of the Undead... as my queen!

No... no! Keep away, you foul beast!

So you scorn me! You'll change your mind and gladly... when you see an example of my powers!

Come, oh dread and evil dead! To me, oh Satan's host! Bring doom and gloom from moldy tomb... approach the Living Ghost!
CAN A WEIRD INCANTATION PIERCE THE VEIL OF THE UNKNOWN... BRING THE LONG DEAD TO THE SERVICE OF A GHOSTLY MASTER!

Meanwhile, Tony isn't giving up! Desperately hunting for some sign of the living ghost's trail, he searches the scene of the last murder! And suddenly he sees...
They... they're specters... inhuman! And if they're here, the living ghost must be nearby! I'll follow them... but I've got to keep hidden!

Pursuit... to the cave of evil! Peering within... oh, no! I tell me I'm dreaming!

On, legion of the condemned... oh! Never more will she who can rule with me doubt my powers! Help! Help!

There's nothing I can do against that unholy mob... unless I take this long chance on slipping in unrecognized! A coating of mud... and here goes! Ayeeeee!

They'll think I'm one of them... I hope! Now if I can only get to Gail... make her understand... No! No! Please don't... oh-hhh! Shut up, you idiot! Listen... it's me... Tony! Pretend to play along with the head ghoul! Tell him you'll do anything he wants if hell get rid of his little playmates!
With the light of a wild hope dawning in her eyes...

Please! I shall rule with you... Do anything you want... If only you'll get rid of these awful creatures!

I thought you'd see things my way finally! Watch!

Back to slime from whence you came, back to death, decay! Back to fire and to flame... Your master speaks... Obey!

What! All gone... but you! Then you're no spirit... you're a mortal man!

So I've been tricked eh? You fools... thinking that you could fight a superhuman power! There's only one answer... death!

Steady, Gail... we've got a slim chance yet! The talisman Dr. Vandyke gave me.

Ah... Tony! It... it's stopped him! What...

It's an ancient church relic... and it's made the living ghost mortal!

Mortal, yes... but your little weapon hasn't robbed me of the giant strength I've carried with me down through the centuries! You'll die, knowing that!

Come ahead, ghost... I'm not afraid of you! It's man to man now!
SEE WHAT I MEAN?

HA-HA! MY TURN NOW, EARTHLING!

POW!

LET ME GO!

DIE, FOOL! DIE!

OH-HHHH!

TONY! I... I'VE GOT TO DO SOMETHING!

TAKE THAT!

BAM!

THERE! THAT'LL HOLD HIM UNTIL THE POLICE CAN PICK HIM UP!

BUT THE NEXT MOMENT...

YOU, WHO COULD HAVE BEEN MY QUEEN...

ARRGH! GOOD HEAVENS!

THEN, BEFORE THE LIVING GHOST CAN RECOVER...
The Daily Bugle
LIVING GHOST
CONDEMNED TO
DEATH

AND...ON THE NIGHT OF EXECUTION...

Hey! What's happening to him?

His body...it's fading!

He's gone!

The living ghost...disappeared!

But...as the switch is thrown...

And, as the dread tidings are flashed throughout the nation...

We thought that the talisman had made him mortal...but it was only temporary! In the end, his giant supernatural powers were too much for it!

And now he's on the loose again...a deadly specter, lustng for revenge!

But don't worry, Gail...come what may, I'll be at your side, protecting you!

Ha-ha! Don't worry, Gail...it won't do you any good! If I strike...you'll die screaming! And you, dear reader...I've got a special fate in store for you!...It's all in the next issue, so start trembling!

The End.
Strange Spirits

Voodoo

He is our enemy! Die! Die! Aiee!

It's the Voodoo curse! He is doomed!

Then a giant image of the enemy is made... and pierced with spears!

Voodoo... a strange jungle superstition... actually has been known to work! It might start out with a witch doctor, beating out a hymn of hate...

Aarrg!

And often, when a man's image is pierced... he dies!

Glugg!

Up from the damp, clotted earth come... zombies! Living dead men, with the mold of the grave upon them! Voodoo slaves - ready to destroy!

At the Voodoo master's command... death! Then... back to their graves!

Voodoo is only one of many terrifying folk beliefs in all parts of the world! Watch for another thrilling 'Strange Spirits' feature in our next great issue!
JOHN DRAKE shuddered as he stared at the picture. He had painted a masterpiece—but a masterpiece of horror! Dead white eyes it had, and the fangs of a jungle beast. And now it seemed almost alive as it returned his stare from the lighted canvas. It had been human once, and was portrayed standing next to a yawning grave, from which a spade caked with damp earth projected.

Few men possessed the courage to imagine such a thing, much less depict it on canvas. But John Drake was a strange person. Possessed of an artistic genius which lent life to his creations, he was obsessed with an urge to paint only nameless horrors. And in this picture, he had reached the climax of his career! It lived. One could almost smell the damp earth from the open grave. And as to the awful creature that stood there—what was it? Ghoul? Zombie? Drake himself wasn't sure. He looked again—and a wave of dizziness swept over him. He couldn't break away—the thing's glaring eyes seemed to grip him in a hypnotic spell!

It took determination to turn his eyes away, but he finally did it. When! No doubt about it, he had done his work well. He had surpassed himself; had breathed weird life into the creation on the canvas. Now he had to get away from it; away from that sinister, yawning grave. With a weary shrug, he crossed the room to a mirror and stood regarding himself in the shadows. He saw his face, sensitive and careworn—and behind him, the reflection of the awful picture he had painted. But what was making the room so dark? As though someone had pulled down all the blinds, shutting out the moonlight?

Suddenly the mirror showed him some-thing else. A shadow, weaving about close to the canvas! But how—how could the picture cast a moving shadow?

Drake's scalp began to tingle. Now his ears sensed footsteps behind him, crossing the floor with a dull, insistent tread. It couldn't be! He could find out easily enough, simply by turning. Why couldn't he turn? What was holding him rooted to the floor in the grip of a nameless terror?

He started to scream even before he saw the face. For the thing was standing there, staring at him with glassy eyes, its fangs bared and drooling. Then, with an inhuman screech—it leaped!

Drake fought it with all his strength. Sweat pouring off his face, his neck cords swelling, he struggled frenziedly against claws that raked and tore. But it was too strong for him! Shrieking and struggling, he felt himself being dragged toward the canvas—toward a yawning, painted grave that was too realistic!

The strange mystery of John Drake's disappearance was never solved. It created a sensation for awhile, but was at last forgotten. The police investigated, but finally were forced to admit defeat, closing their files on the great painter. Quite a crowd attended the auctioning off of his canvases, and the highest price was paid for the great masterpiece he had completed just before he dropped from sight, never to be heard of again. It was a graveyard scene, amazingly lifelike in its every detail. There was nothing in the picture—except for a filled grave, with the earth around it trampled as if a struggle had taken place.
IT WALKED BY NIGHT

Here's a story of nightmare terror...of screams in the night...of a ghostly vengeance that came up from the sea to wreak it's fury on man! It's a story of today...but it's evil roots lie buried in time...back two centuries!...the time...1750. The place: the rockbound New England coast...

A gay betrothal party draws to a close...

You're a strange man, Squire Aram! It's no secret that you loved the girl...and lost! Yet here you are...drinking to the happy pair!

And why not? By gad! I like Philip! He's the right man for her!
But deep within a twisted and hate-filled mind...

Pah! If I can't have her—No one can! Death to that young fool!

As the guests depart...

I'm worried, Philip—The night's so dark! Why not ride home with one of the guests?

No, darling—I'd rather walk! I know every foot of the shore road!

Minutes later... Where the road skirts the sea...

Here he comes. Aram will pay us handsomely for this night's work.

Aye... but I like it not!

We've got him!

The rope—get it around him!

Wha... help!

Grim moments later...

Wait! I'm going with you! I intend to make sure you keep our bargain!

Squire Aram!

Before you heave him over—-I'm going to have a look at his face! I'm curious to see how much courage he has left!

Ha-ha! You're a cool one, squire!
ARAM! SO YOU PLANNED THIS! WHAT ARE YOU GOING TO DO?
CAST YOU INTO THE SEA! IT WILL DO YOU NO GOOD TO SHOUT FOR HELP, PHILIP! WE ARE MILES FROM SHORE!

IT'S USELESS TO STRUGGLE! AND SHE WON'T WAIT FOR YOU TO RETURN FROM THE SEA! LOOKS LIKE I'VE WON, EH?

YOU DEVIL! I'LL... UGH!

THUD!

GOODBYE, PHILIP! TOO BAD... BUT THERE'S NOTHING YOU CAN DO!

SPLASH!

I WILL RETURN, ARAM! I WILL RETURN! A CURSE ON YOU AND YOUR HOUSE... NOW AND FOREVER!

BEND TO THOSE OARS, FOOL! WE'VE SEEN THE LAST OF HIM! IS IT YOUR PAY YOU'RE WORRYING ABOUT?

I... I WANT NO PAY!

WHEN A MAN GOES DOWN INTO THE SEA RANTING AND RAVING THERE IS BLOOD ON THE MOON! IF I TAKE YOUR GOLD, HE'LL COME FOR ME TOO! I WANT NO PART OF THE CURSE HE'S PUT ON YE!
A WEEK LATER...SQUIREARAM IS STICKEN WITH A STRANGE ILLNESS!

SALT: MY MOUTH... CHOKED WITH SALT! BRING ME SOMETHING TO DRINK THAT HAS NOT THE TASTE OF THE SEA!

STRANGE: HE HAS HAD NOTHING TO EAT OR DRINK! HE CANNOT SWALLOW!

HE IS GONE! HE HAD NO FEVER... YET HIS BODY IS HIDEOUSLY WASTED! AND AS HE DIED, HIS EYES GREW BRIGHT AND WILD... AS THROUGH SOME GREAT FEAR HAD COME INTO HIS SOUL!

THERE'S A STORM AT SEA! THE CASEMENT BLEW OPEN! UH... THERE'S SOMETHING OUT THERE!

A CENTURY PASSES OVER ARAM HOUSE... LIKE A GREAT DARK BIRD OF THE SEA! THE YEAR IS NOW 1850!

GENERATIONS OF THE ARAM FAMILY HAVE PAID FOR THE CURSE WITH THEIR LIVES! SQUIRE ARAM'S GREAT GRANDNIECE LIVES THERE NOW! HER FATHER WAS... CLAWED TO DEATH!

BRRR! LET'S GET BACK TO THE INN MAN!

1948... AND ONCE MORE THE OLD HOUSE BLAZES WITH LIGHT AND GAIETY!

MMM, THE SEA AIR SMELLS GOOD! THIS PLACE HAS BEEN BOARDED UP FOR YEARS... BUT MAKING A RESORT HOTEL OF IT WAS A SWELL IDEA, SYLVIA!

I HEAR IT'S SUPPOSED TO BE HAUNTED! WHAT A WAY TO START A HONEYMOON, ROGER!

LIGHT AND GAIETY, YES! BUT IT IS SAID THAT THE SEA IS STILL RESTLESS AROUND THIS BLEAK DWELLING! AS THE YOUNG COUPLE ENTERS...

IT IS SAID THAT THE GHOST OF A MAN LONG DEAD PACES THE HOUSE... PACES IN SILENT FURY... WHILE THE WIND HOWLS DISMALLY!
Or is it just the moonlight—Weaving patterns of terror? For inside, we find a very different world!

Nothing scary about that dance orchestra, Sylvia! Or the guests! They're having the time of their lives! Oh-oh! Here comes the proprietor!

We're not doing so badly, are we? Confessionally, I bought this hotel for a song—but I expect to make a good thing out of it!

You've done that already, Mr. Tenant!

Suddenly...

Aargh! It's the ghost! He... he's outside that window!

Oh!

Roger, I'm going after that ghastly thing... whatever it is!

I'll go with you, Ken!

Look, Roger! Let's separate! I'll take the shore road and you can keep to the top of the cliff!

Right! Never thought I'd go ghost-hunting on my wedding night!
On the shore road... a moment later...

This place is as spooky as a cemetery at midnight! Those big flat stones look just like... grave markers!

Drawn by his friend's screams...

He's... stopped breathing... this is horrible!

Half-hour later... Roger returns to Aram house...

Roger! Where did you go? Where's Ken?

He was clawed to death! Sylvia! My best friend... killed by a ghost!

Later that night... in John Tenant's office...

The guests are all leaving! Can't say I blame them! But you know what it means!

I'm afraid I do, John!

It means I'll lose every cent I put in this place!

The picture's not as black as that, Mr. Tenant! I've persuaded half the guests to stay!
DON'T BELIEVE WE'VE MET...I'M STEPHEN CAREW! AS AN ANTIQUARIAN, I CAN ASSURE YOU THAT THE ARAM GHOST IS GRIMLY REAL! I CAN'T EXPLAIN IT! NO ONE CAN! BUT...

I SAW MY BEST FRIEND DIE. I'M STAYING ON UNTIL I GET AT THE TRUTH!

A LITTLE LATER...

JUST MET AN INTERESTING CHARACTER IN TENANT'S OFFICE! HE'S AN ANTIQUARIAN... AND HE TAKES THE GHOST SERIOUSLY! I TOLD HIM I DIDN'T LIKE UNSOLVED MYSTERIES!

PLEASE, ROGER... DON'T PUT YOURSELF IN DANGER!

YOU'RE ALL I'VE GOT!

STEADY NOW! NOTHING'S GOING TO HAPPEN TO ME!
I'M THE GUY YOU MARRIED, REMEMBER? THE LUCKY GUY!

IN THE STILL OF THE NIGHT...

CLAWED... FOOTPRINTS IN THE SAND... ANTIQUARIAN... FUNNY LITTLE DUCK... TAKES GHOSTS SERIOUSLY... W-H-WHAT'S THAT?

CRASH!

THE GHOST... THERE'S NO MISTAKING IT! IT MUST HAVE SENT A BOULDER CRASHING!
WELL... IT'S AN UNUSUALLY FINE NIGHT FOR A SHOWDOWN!

W-WHERE DID HE GO? WAS IT BECAUSE HE COULDN'T SLEEP OR DID HE... I'VE GOT TO FIND HIM!

ROGER!

ROGER!
Terror-shadowed instants later... on the shore road...

Oh, where is he? He could have gone in any one of a dozen directions!

Roger! Help!

This is the payoff... you devil!

Get back! I've got a gun! Get back, you fool!

Stephen Carew! The antiquarian! Then... there was no ghost?

Yes, I'm Carew! But my mother's family bore a different name--Aram! I'm the last of the Arams... and I could not see the mansion of my ancestors dragged into the mud! A common hoard! I disguised myself with luminous paint... wore steel-tipped gloves... to terrify the guests... I killed your friend, when he recognized me! Now I shall kill you!... Ghosts, bah!
GOT YOU IN THE SHOULDER.
EH? GOOD! I'VE GOT FIVE SHOTS LEFT!

SUDDENLY... OUT OF THE BLACKNESS
... A GHOSTLY ARM!

A MOMENT LATER... IN A SILENCE AS CHILL AS DEATH...

LOOK THERE! YOU CAN SEE THE MARKS OF CAREW'S SHOES! HE WAS STRUGGLING!
AND THOSE BARE, WET PRINTS... THE TRACKS OF THE REAL GHOST... WHO DRAGGED AN IMPOSTOR TO HIS WATERY GRAVE!

ROGER!

HE DIDN'T BELIEVE THE GHOST EXISTED... BUT IT KILLED HIM!

Sylvia, one of my ancestors was the brother of a man supposedly murdered by Old Squire Aram in 1750! Did that murdered man's ghost help me, a remote descendant win out over the last of the Arams? If so... His vengeance is satisfied!

The End!
In 1667, the Chevalier de Fraise engaged in a deadly duel...

A curse on the pistol that slew my son! May it strike through the centuries at you and yours!

I fear not your words, old one!

Can a curse attach to a thing of dead wood and metal, transforming it to an instrument of ghostly vengeance? Read how doom struck through the ages!

But later... in cleaning the pistol...

ARGH!

Was it the curse? Who knows? But in the same room... a century later...

It killed my great-grandfather! They say it's cursed!

I want to see it!

Once again the fatal pistol struck!

OH-HH-HH!
PHILIPPE! OH, N-NO!

Strange accidents, you say? But twice more the ancient firearm roared its message of death!

Finally, in 1943...

The last of the de Frases... a pauper! And all that's left to me is this... the cursed pistol which has been our ruination!

I'll break it... snap its evil spell! There! Ugh! A splinter pierced my hand!

But still the old weapon had the last word! The following day...

Strange... I've never known blood-poison to work so fast... the man's dead!

Accidents... or a ghostly curse?
Tell me a ghost story.

The Castle of Otranto

The Castle of Otranto...written by Horace Walpole in 1764...is one of the really great ghost stories of all time! Generations of readers have thrilled and chilled to the terror-tale of the restless ghost of Alfonso, the murdered master of Otranto Castle! You'll thrill and chill too!

The castle of Otranto was built in the days of William the Conqueror. In the dismal courtyard...as high, bleak turrets catch the sunlight...

Yes, I'm heir to this cursed castle...but a slave to its owner, my Uncle Manfred! And at his wish I must marry a girl I've never seen...because her noble family pleases him! I'd rather be dead than...

Suddenly

What? A great shadow...sweeping down upon me! AHHH!
FROM ABOVE... A MIGHTY IMPACT!

JUSTIN! IT'S... THE YOUNG MASTER! HE'S BEEN CRUSHED!

IT... IT'S THE HELMET OF ALFONSO! THE CASTLE'S RIGHTFUL LORD... SLAIN CENTURIES AGO BY MANFRED'S ANCESTORS, WHO TOOK OTRANTO FOR THEMSELVES! AND NOW HIS GHOST WALKS AGAIN!

AS THE SERVANTS REACH THE COURTYARD... THE GHOSTLY HELMET VANISHES!

THERE'S A CURSE ON THIS CASTLE! THERE'S A CURSE ON MANFRED, TOO... HE'LL DIE JUST AS HIS NEPHEW DID!

WE... WE MUST BRING HIM WORD OF WHAT HAS HAPPENED! COME!

AND DO YOU EXPECT ME TO GRIEVE? FOOLS! MY NEPHEW HATED ME! AS FOR ALFONSO'S GHOST... PAH! I FEAR NOT THE LONG DEAD! THIS CASTLE IS MINE!

SHE'S BEAUTIFUL! HMM...

IS IT A DISGRACE TO BE POOR, ANNE? WHICH IS WORSE... TO MARRY A STRANGER OR ENDURE THE UGLINESS OF POVERTY?

IT IS BEST THAT YOU MARRY HIM, MISTRESS! POVERTY IS A HARSH TASKMASTER!
I can sympathize with you, my dear! You came to marry a young man... but I flatter myself I still have the vigor of youth!

Y-you've been kind...

Suddenly...

Master! Alfonso's portrait has left its frame! It walks... with death's scythe in its hand!

I fear it not! I'll slash the canvas... burn the frame!

Isabella finds herself alone in the banquet hall!

Can the castle really be haunted? If ever I saw terror in a man's eyes...

Spare me! It was not I who drove a dagger into your heart and robbed you of what was rightfully yours! Your blood is on the head of a dead man... Manfred's ancestor!

Oh!

If you would live... go!

Thw!
I...I've got to get out of this awful place! But I can't find the entrance hall! It's a horrible, dark maze of rooms leading nowhere!

But then...

A wall panel... and it's ajar! Does it lead out... or down under the house? These old castles are supposed to be full of underground crypts!

There is the taint of death in the air! Can this passage lead to... a burial vault?

In the blackness... a hand lights the wick of a charred candle...

You are lovelier than a sunset... I never thought to find beauty in Otranto!

Ohh... let me go!
MY NAME'S THEODORE AND I...
LISTEN! THE VAULT'S SHAKING! ALFONSO'S GHOST MUST BE MOVING ABOUT IN THE PORTRAIT GALLERY. IT'S DIRECTLY OVERHEAD!

I...I SAW IT! IT SPOKE TO ME!

IT'S ARLEN! HE'S DEAD...
CUT DOWN BY THE SCYTHE! WHY DOES THE GHOST NEVER ATTACK YOU?

I TOLD YOU WHY, FOOL! I DO NOT FEAR IT!... THAT GIRL! WHERE IS SHE?

THE BURIAL VAULT! SO THAT'S WHERE SHE WENT! BRING TORCHES... HURRY! I'M GOING AFTER HER!

VOICES...
IN THE VAULT!

MAYHAV SHE TALKS WITH THE DEAD, MASTER!

WHO BE YOU, SIRRAH... LIVING LIKE A GHOUL IN THE VAULT OF MY ANCESTORS?

NOT YOUR ANCESTORS, MANFRED! MINE!

YOU DARE TO SPEAK TO ME THUS? FOR THAT... I WILL HAVE YOUR LIFE!
YOU SHOULD HOLD YOUR TEMPER WHEN YOU FIRE A PISTOL, ROGUE!

But then... THAT'S IT... HOLD HIM FAST! HE'LL SUFFER FOR HIS INSOLENCE ... BY TORTURE!

BE MERCIFUL, I BEG YOU! HE STRUCK YOU ONLY IN DEFENSE OF HIS LIFE!

MERCY... FROM ME? HA-HA! HOW LITTLE YOU KNOW MANFRED!

WE SHALL GET TO UNDERSTAND EACH OTHER BETTER WHEN WE ARE WED... EH, GIRL?

NO! DON'T TOUCH ME!

AND YOU, THEODORE... WHO STATE THAT THE HONORED DEAD OF MY FAMILY ARE YOUR ANCESTORS... HARKEN TO ME! ALL MEN OF MY LINE BEAR A MYSTIC MARK UPON THEIR BODIES! BARE YOUR SHOULDER ... SO THAT I MAY KNOW THE TRUTH!

TURN AND FACE ME, MANFRED! YOUR HOUR HAS COME!
I came to this castle knowing it was rightfully mine! See... I bear the seal of our house upon my flesh! An arrow speeding true to its mark!

Then you are my heir! Your heritage... courage... and the right to walk in the sunlight and fear no man!

Arrg!

As for you... my vengeance will be quickly satisfied! Die, Manfred!

The castle would do you no good, lad. It is stained with blood and tears! I will grow swiftly larger... you must go... before my spirit leaves the earth forever!

As Theodore and Isabella flee, aghast, a tremor shakes the earth and the castle begins to crumble! Its mighty walls rush asunder... and the dark battling masses crash to the plain!

C-crash!

For an instant... brief as a dropped heartbeat... a ghostly shape looms against the clouds, grown to towering height. Then it dims and vanishes!

Later... by a quiet stream...

Somehow... I'm glad the castle's gone! A man with wisdom in his head and strength in his arms can make his own way in the world! It's good... just to be alive!

Ohh, look... look!
JANE moved across the creaking floorboards of the dark old house, her pigtails quivering.

"Don't make so much noise, Jimmy!" she breathed.

"I'm not scared!" Jimmy flared, glowing at her sister. "There's a big pile of bottles in the cellar! Mr. Jenkins will pay us a penny apiece for soda pop bottles!"

"Mrs. Meek was a witch!" Jane complained bitterly. "She didn't die like people do. She comes back here and sits in the window! Freddy Wilson saw her!"

"Aw, don't be a scared cat!" Jimmy flung out. "Nobody lives here now!"

"Mrs. Meek does! Jimmy, I'm afraid of her!" Jane was big for her age, but now she felt very small. She shivered in dread alarm. "She comes back! She does!"

Jimmy started to reply; then froze.

"Jane, look! It's a rag doll! Right over there—by the wall!"

Jane let out a gasp. The doll sat in the shadows, with its back to the wall. It was covered with cobwebs. It had a funny grinning face, and it wore a calico dress. Sawdust was spilling out of it.

Then Jimmy saw the fire engine. All rusty it was, as though it had traveled to its last fire and was now ready for the junkpile.

The children didn't hesitate. They went down on their knees in the dust and picked the toys up, their eyes glowing.

"Golly, Jimmy, you couldn't buy a doll like this!" Jane enthused. "Look how its eyes shine! Like it was alive!"

"Jeepers!" Jimmy muttered. "I like old fire engines! This one's all smoked up an' everything!"

Jane let out another gasp. She was feeling the tug now. The doll was twisting, tugging at her, as though it wanted to go somewhere. It wasn't tugging with its arms. Oh, no. It was just a limp rag doll.

But Jane could feel the tug. It was like—holding a big magnet that tugged, pulled!

The fire engine was tugging too. At Jimmy!

The children followed the tugging. They didn't want to, really. But they were scared not to.

Throw the toys down, children—get rid of them! Please, children, hurry! Do you want to die? The witch comes back and sits in the window! If you don't want to meet her, stay away from that closet!

The closet's musty old door was a little ajar, as though it had a birthday present surprise for Jimmy and Jane. The toys seemed to want to enter the closet, taking the children with them!

It was Jane who threw the door wide. She didn't want to, but she had to obey the doll.

"Jimmy, I'm scared! Jimmy, don't run! Oh, Jimmy!"

Mrs. Meek stood just inside the closet, with a sickly yellow light flooding down over her. Death hadn't changed Mrs. Meek much. She had been scrappy and hideous in life and she was hideous now. From her thin, shriveled face to her turned-in toes she was wrapped in cobwebs, which clung to her like a shroud!

In Mrs. Meek's hideous, shrunkens face two eyes rolled a little, to fasten on the children. But as her withered skeleton-thin arms went out to make sure the children would not escape, the tugging stopped.

Jimmy hurled the fire engine straight at Mrs. Meek! There was an awful, splintering crash. Mrs. Meek fell back into the closet. Dust swirled up about her and she began to crumble.

But the children didn't wait to see the last of Mrs. Meek! They turned and ran screaming from the house and out into the warm, bright sunlight!

LORD THRON! I WOULD SOONER LOOK UPON THE FACE OF A HANGED MURDERER WITH HIS CRIMES BLACK UPON HIM!

YOU FOOL... YOU DARE OFFEND THE DEAD? THEN I TOUCH YOUR FACE... AND IT CEASES TO BE BEAUTIFUL! FOR TEN YEARS YOU WILL TURN TO THE WORLD, THE FACE OF A WITHERED OLD WOMAN THEN, ON YOUR FORTY-SEVENTH BIRTHDAY... YOU WILL DIE!

UNDAunted, THE STRICKEN WOMAN CARRIED ON... AS IF DARING THE GHOST TO DO ITS WORST: ON HER FORTY-SIXTH BIRTHDAY...

YOU SEE, DR. HENWOOD, WE ARE STILL A HAPPY FAMILY! I AM FORTY-SIX, AND LOOK EIGHTY! BUT MY HUSBAND SEES ME WITH THE EYES OF YOUTH!
